## **Community Life Counseling**

The Community Life Counseling (CLC) center at UMHB provides high quality counseling services to Belton and the surrounding communities. Clients see master's-level graduate students in counseling sessions that are supervised by fully licensed and Texas board-approved supervisors.

Services are offered for clients of all ages, from school-aged children to senior citizens. Fees are based on a sliding scale, depending on the household income of the client, but it is the center's policy to accept clients regardless of their ability to pay.

**For more information or to schedule an appointment, please contact the Community Life Center directly at (254) 295-5531** or [communitylife@umhb.edu](mailto:communitylife@umhb.edu). Our staff will help you schedule an appointment and connect you with a counselor

CLC is located at 717 College Street, Belton, Texas 76513.
